NS-6010

Wireless Optical Mouse

Genius introduces a new wireless optical mouse – NS-6010, delivering comfortable, intuitive control you expect for your PC.

Featuring a precision 1000 dpi optical engine, NS-6010 provides great cursor control for browsing documents or Internet pages. The contoured shape is suitable for either hand and the gentle curved sides give your hand the support and comfort you need for all-day use. A convenient pico receiver snaps into the mouse for easy transport or storage. NS-6010 has a convenient battery compartment design that fits either an AA or AAA battery and a power switch is added to extend the battery life. With one AA battery, you can use the mouse for up to 10 months*.

The bi-directional 2.4GHz anti-interference technology ensures a reliable working distance of up to 10 meters. Enjoy responsive cursor control and effortless scrolling.

NS-6010 comfortably fits your on-the-go lifestyle and is the ideal companion for your PC or laptop. Choose from three stand-out colors: Black, Metallic Red, or Blue.

▼Key Features

2.4GHz Technology
Power saving; anti-interference

Innovative battery compartment
Convenient battery compartment design for either an AA or AAA battery

Use for either hand
The contoured shape is suitable for either hand, the curved sides give your hand the support you need for all-day comfort

Storable receiver & power lock
